

01st Nov. 2018

TO WHOMSOEVER IT MAY CONCERN

*A 120-day NATIONWIDE CAMPAIGN TO PROMOTE MAKER'S CULTURE IN INDIA
Undertaken by **BAJA Tutor**, World's most visited ATV Design Online Forum **and**
DIYguru, India's first Maker's learning platform with online courses and mentorship.*

**This is to acknowledge that team BAJA Tutor will be visiting your College (Name).....
to provide a two-day workshop on ATV (Concept of All Terrain Vehicle) | BAJA,
to give an overview on how to design and develop an ATV with discussion on
current automotive industry trends as well as maker's opportunities in
Industries seeking young innovators and researchers in Autonomous Car,
IoT, Robotics on**

(Date)

**There will be a team of four expert and mentors from BAJA Tutor & DIYguru.
The workshop is organized in the wake of promoting maker's culture in India.
This workshop does not have any commercial engagements* however the
travel and accommodation of trainers must be undertaken by college. In view
of skill development and knowledge sharing this document may be used to
avail placement and internship opportunity in partner companies.**
